

# Make light work of heavy coatings

3M™ Performance Spray Gun  
H/O Conversion Pack - 26837

Get more application control of heavy or textured coatings with the 3M™ Performance Spray Gun H/O Conversion Pack for the 3M™ Performance Spray Gun.

The easy-to-install H/O Conversion Pack adds an air-pressure port to the 3M™ Performance Spray Gun which is required to support PPS™ Series 2.0 Type H/O Pressure Cups.

The H/O Conversion Pack features:

- Excellent control of pattern size and orientation, texture and delivery rate
- Cleans in seconds
- Easy to install

Adjustability helps applicators achieve the desired texture\*:

**Coarse**

**Medium**

**Fine**

\* Results above created with 3M™ Waterbased Undercoating, PN08881

Try the 3M™ Performance Spray Gun H/O Conversion Pack and PPS™ Type H/O Pressure Cup to spray thick, high-viscosity liquids and textured coatings.

## Spray Gun and Systems

Description	Part No.	Components

**Product Selection and Use:** Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. As a result, customer is solely responsible for proper evaluation (including, but not limited to, fitness for purpose and suitability of application), selection, and use of 3M products. Safety products should always be selected and used in accordance with all applicable regulations and standards (e.g., OSHA, ANSI, and others), after conducting a proper hazard assessment. Failure to properly evaluate, select, and use a 3M product may result in injury, sickness, death, and/or harm to property.

**Warranty, Limited Remedy, and Disclaimer:** Unless a different warranty is specifically stated on the applicable 3M product packaging or product literature (in which case such warranty governs), 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING OUT OF A COURSE OF DEALING, CUSTOM, OR USAGE OF TRADE. If the 3M product does not conform to this warranty, then the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price.

**Limitation of Liability:** Except for the limited remedy stated above, and except to the extent prohibited by law, 3M will not be liable for any loss or damage arising from the 3M product, whether direct, indirect, special, incidental, or consequential (including, but not limited to, lost profits or business opportunity), regardless of the legal or equitable theory asserted, including, but not limited to, warranty, contract, negligence, or strict liability.

Please always consult national regulations for suitable Personal Protective Equipment (PPE) for use against hazards, including isocyanates. PPE shown may not be adequate or suitable for your specific application or substances used.
