

The DeVilbiss DeKups disposable cup system is the quick, easy and secure way to spray.

The lightweight cup liner collapses easily providing a constant paint flow and minimal paint wastage which is better for your spray shop and the environment.

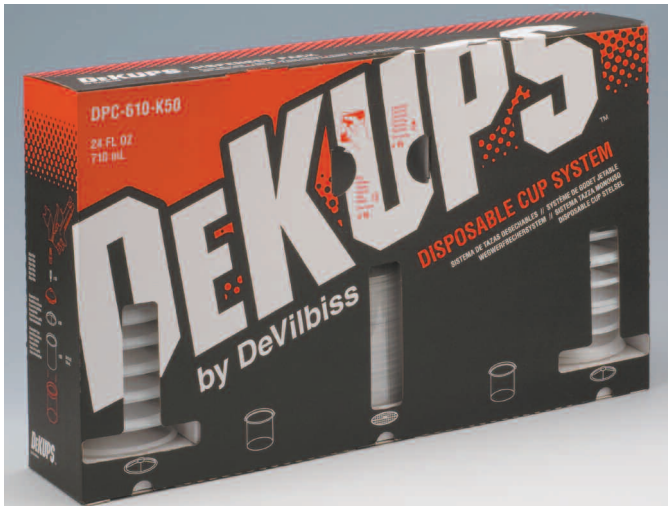

DeKUPS by DeVilbiss

The new generation in disposable paint cup systems

- Ready to use, dispenser wall pack complete with 50 disposable lids and liners
- Constant paint flow for accurate colour matching
 - Spray at any angle even upside-down
 - Practical 710cc capacity
- Choice of disc filters for waterborne basecoats and washable cup filters for top and primers.
- Lightweight gun adaptor's with spiral lock mechanism
 - Storage plugs for liners supplied in the kit
- Funnels for liner top ups and gun flushing bottles available.
