TO SPRAY PAINT**

www.graco.com

MINIMAX ADVANTAGES

- **Professional Airless Sprayer** delivers **perfect finish** like your current Graco sprayer.
- **Ultimate portability**, move around the jobsite, or from one jobsite to another.
- **Ready to spray paint in seconds**, sprays most common interior and fine finish paints without dilution.

MiniMax™

A Professional Airless Paint Sprayer 'In The Palm of Your Hand'

The MiniMax™ Airless Paint Sprayer is beyond breakthrough ... it's an entirely new way to spray airless! Graco brings the MiniMax ...

PROFESSIONAL AIRLESS PAINT SPRAYER IN THE PALM OF YOUR HAND

MiniMax™ offers:

PROSPRAY™, a real professional piston pump design which:

- delivers comparable performance to Graco's professional corded airless sprayers
- sprays material designed by paint manufacturers – no thinning required!
- provides a consistent, even spray pattern for one-pass coverage

PROSPRAY™ RAC® tips, with a professional reversible tip design:

- high precision tips, inspired by proven RAC X design, exclusively for use with ProSpray™ technology
- Integrated PST tip and guard shuts fluid off at the tip for a clean pattern
- delivers a professional quality finish with expert results.

Shoulder Strap
Easily attaches to the MiniMax™ for hands-free movement on the job

PST Reversible Tips

- RAC® (Reverse-A-Clean); when experiencing a tip plug, simply turn the tip, spray out the plug and continue spraying normally.
- Integrated ProSpray tip and guard avoids spitting and provides a perfect finish.
- Available in narrow and wide fan sizes for light to heavy, non-thinned material.

Low Battery Indicator Light

Red light quickly indicates when the battery needs to be charged

Lithium-Ion Battery Charger

Charge time for 80% performance is 45 minutes.

Materials & Applications

The MiniMax™ can be used as a maintenance gun to repaint objects, as a repair gun to cover graffiti or to repair walls sprayed before with a normal paint sprayer. To spray paint jobs up to maximum 50 m².

The MiniMax™ has been designed to spray a wide range of European (Fine Finish) paints for interior and exterior and is an ideal tool to spray rooms with different colour walls, ceilings, (garage) doors, radiators, cabinets, carports, garden houses or to renovate furniture, fences, staircases, etc.

ProSpray Technology

Patented PROSPRAY™ Piston Pump Technology

- Ready to spray in seconds!
- Ultimate portability to move around on the job
- Professional quality finish

Prime Valve

Conveniently located for quick priming and pressure release

Stand Alone Design

Balanced design, easy for storage and to put aside on the jobsite

Tilt-N-Spray 1 L Paint Cup

- With adjustable suction tube, enables spraying in any direction – floors, ceiling and walls
- Disposable cup liners for fast and easy clean-up
- Includes a cover for paint storage or quick-shake cleaning

Sprayer Hook

Adjusts to balance on any frame, ladder or jobsite equipment for easy transport or fill

www.graco.com

GOOD TO KNOW

3 EASY START-UP STEPS

Ready to spray within seconds!

1. Simply pour the paint into the cup.
2. Screw the cup to the cover.
3. Prime the pump and you're ready to go.

3 EASY CLEAN-UP STEPS

Clean-up is easy with disposable cup liners. Just empty the liner and throw it away.

Fill the cup with water, flush it through the pump and you're ready for the next job!

1. Throw away the disposable cup liner.
2. Fill the cup with water.
3. Reverse the tip and flush.

! TIP

MiniMax SPRAYER STORAGE CASE

- Durable all-in-one storage case protects all components inside
- Extra room for tips, rags, filters and paint supplies
- Convenient for carrying from job-to-job

Double the Life of your Sprayer

To maximize your spraying time, Graco has designed a special kit that doubles the life of the sprayer. Simply replace the inlet and outlet valves to extend the sprayer life!

WITH REPAIR KIT

WITHOUT REPAIR KIT

MiniMax™ Accessories

Get the most out of your equipment, use our MiniMax accessories

Improve your spraying quality

Paint Cups and Liners

For larger applications and less cup fills; includes a cover for storage or use to shake cup for fast clean-up without a cup liner.

- 16D560 1 l material cup and cover
- 16D561 1.5 l material cup and cover

16D562 Material cup liners – 10 pack
Fits either 1 or 1.5 liter cups; plastic cup liners makes clean-up fast and easy.

Battery

Add another battery to spray larger than 7.5 liter jobs. One fully charged battery is able to spray 3.75 liters for continuous spraying.

16D558 18V Lithium-Ion Power Pack Battery

Battery Charger

16D799 Power Pack Battery Charger
Add a charger to reduce downtime by charging two batteries at once. Light indicator monitors and displays charging progress.

Lithium-Ion Battery Charger

	SOLID GREEN	100% Charge complete	Indicates battery is 100% charged and is ready to use
	FLASHING GREEN	80% Charge complete	Indicates battery is at 80% of charge cycle and can be used
	FLASHING RED	Low battery	Indicates battery needs charging before it can be used
	SOLID RED	Over-heated battery	Indicates battery is too hot and must cool down before charge cycle can begin

MiniMax PST Reversible Tips
